

Clarity-WAVE

PRIVACY GLASS
SOLUTIONS™

An Innovative Hand-Gesture Controlled Switchable Glass

Clarity WAVE by Privacy Glass Solutions offers instant, touchless privacy with a simple wave. This sleek switchable glass transitions from clear to opaque in seconds, eliminating the need for blinds.

With gesture-activated technology, it's effortless, hygienic, and easy to clean. Available in single or double-glazed units, Clarity WAVE enhances privacy, comfort, and style in any space.

Benefits

- Gesture-Activated Technology
- Instant Privacy
- Reduced Contact
- Easy to clean
- Customizable
- Convenience
- Enhanced Security

APPLICATIONS

- Healthcare
- Commercial
- Education
- Residential
- Retail
- Hospitality

EASY TO OPERATE

Clarity WAVE Switchable Glass applies an electrical charge to the glass, changing its state from opaque to clear. WAVE it OFF and it returns from clear to opaque instantaneously.

OPTIONS

Clarity is available as a single pane or double-glazed unit, with double glazing enhancing thermal performance for better comfort and control.
